

Graffiti Removal Program

In the interest of cleanliness and public safety, the DDD has enacted a "Graffiti Removal Program" to combat graffiti on public property.

Graffiti on Public Property

To combat graffiti on public property, the DDD's contracted sidewalk cleaning services includes a graffiti removal component. The cleaning ambassadors will identify and remove all graffiti, decals, flyers, paint, posters, and stickers from public surfaces. This includes sidewalk surfaces, light poles, traffic signals and electrical boxes, news box corrals, trash receptacles, planters, phone booths, benches and art pieces.

Please report any observance of graffiti on any such public structure, as listed above to:
