## SAFETY TIPS.

- ★ Use common sense as you would in any major city.
- ★ Do not display large amounts of cash in public places.
- ★ Avoid walking alone on deserted streets at night; travel with a colleague or friend if possible.
- ★ Trust your gut instincts. If someone or something seems suspicious, leave the area or alert a police officer or a Downtown Public Safety Ranger.
- ★ If approached by strangers for con games such as, "I bet I can tell you where you got your shoes," do not participate.
- ★ Stow valuables out of sight in your vehicle.
- ★ If you drive to the city, it is best to park at your hotel to avoid parking restrictions in popular tourist neighborhoods.
- ★ If you have been drinking, consider taking a taxi.
- ★ Remember that most laws enforced in your city are enforced here as well.
- ★ Don't give money to panhandlers.
