

Private Property Graffiti Removal Program

To combat graffiti on private property, the DDD offers private property owners a fifty percent (50%) reimbursement up to a maximum of \$2,500 per structure to offset the expense of graffiti removal from their property, including repainting cost, anti-graffiti window film, and anti-graffiti paint coating. To participate in the DDD's *Graffiti Removal Program*, please complete the Private Property Graffiti Removal Agreement.

The DDD encourages the removal of graffiti **as soon as possible** after its discovery. Research shows that removal within 48 hours is effective in discouraging repeat vandalism. To expedite the application process, please observe the following guidelines:

- Please note that the form must be fully completed.
- A "before" photograph of the graffiti must be attached.
- A minimum of two quotes/bids must be submitted.
- A W-9 must be submitted.

Once all the information is processed, you will receive an approval and notification to proceed. The work may then proceed with the approved bidder and should be completed within 30 days from the notice to proceed.

Once the work is completed, an "after" photograph, final paid invoice, and copy of the canceled check must be submitted. The DDD will send a notification that the paperwork has been received and is complete. The DDD will inform the stakeholder that a check in the amount of 50% of the total cost, not to exceed \$2,500, will be issued within 15 days of receipt of all the required information. If the paperwork is not complete, the DDD will notify the applicant of the specific deficiencies and set a deadline for the submission of missing items.
