

## NEW ORLEANS DOWNTOWN DEVELOPMENT DISTRICT Graffiti Removal Authorization and Waiver

Downtown Development District (DDD) in cooperation with its contractor, Henry Consulting, provides a graffiti removal program for property owners within the boundaries of the Downtown Development District. Clean Team personnel will remove or cover graffiti from the first floor of buildings or other structures whenever the graffiti is visible from a public right of way. The DDD Clean Team will work to remove the graffiti in a timely manner once written permission from the property owner is received (subject to weather conditions, staffing levels, and availability of funds). If you would like to receive this service, please complete the consent form below:

I am the owner of the property located at the following street address: \_\_\_\_\_

I hereby grant permission to the DDD Clean Team and its personnel to remove graffiti from structures at the address listed above using the method specified below (initial appropriate line):
