

Harmony Circle Redesign
RFQ #2024-20-02

Addendum No. 1

DDD received the following questions regarding this procurement. Please see answers below.

1. Can a Landscape Architect Prime the project? **Yes.**
2. Can a Louisiana state certified WBE firm count towards the DBE goals? Please expand on DDD's DBE Program details and DBE qualifications. **In accordance with DDD Procurement Policies and Procedures, any firm desiring to participate in the DDD DBE Program must be certified as a DBE by the City of New Orleans, State of Louisiana Unified Certification Program, Sewerage and Water Board, Louis Armstrong International Airport, or Housing Authority of New Orleans.**
3. Is the supplemental funding (\$144,667) reserved only for the specific scope items identified as Supplemental services in the RFQ including community engagement, survey, geotechnical, cultural resource survey, and permitting? **The supplemental funding described represents DDD's matching funds available for this project. Additional services may be suggested by the selected team if necessary to complete design. Following Notice of Award, the selected team will negotiate total contract pricing and required services based on total funds available for the project and State of Louisiana funding guidelines.**
4. Is there an anticipated schedule for the project's delivery? **Yes – DDD plans to complete 100% designs within one year of award to facilitate solicitation of grant funds for construction.**
5. May we use our own balance sheet form? **Yes.**
6. Will financial statements be made public? **No.**
