DOWNTOWN
DEVELOPMENT
DISTRICT  NEW ORLEANS

WHO WE ARE

The Downtown Development District of New Orleans (DDD) was created by the Louisiana Legislature in 1974 as the nation's first assessment-based business improvement district (BID) to provide enhanced services in economic development, cleaning, and safety. The DDD services the area bounded by Iberville Street, the Pontchartrain Expressway, Claiborne Avenue, and the Mississippi River. The DDD is governed by an 11-member Board of Commissioners who represent a cross-section of the diverse Downtown community. Appointed by local elected officials, our Commissioners help guide the policies and programs of the DDD.

MISSION

To drive the development of Downtown New Orleans and be the catalyst for a prosperous, stimulating, innovative heart of the Crescent City.

We do this by:

- Cultivating economic development in such industries as bioscience, the arts, digital media and tourism
- Ensuring Downtown is clean and safe
- Serving as the voice and advocate for Downtown's future
- Promoting Downtown as a world-class destination for residents and visitors

VISION

Downtown New Orleans will be celebrated as the vibrant hub of America's beloved city and the engine for the region's economy. Historic and contemporary buildings glow with new residences and retail as Downtown becomes a magnet for a population involved in industries of the mind such as bioscience, the arts, and digital media. Streets bustle with neighbors and visitors alike participating in the arts, music, dining, shopping and daily business of Downtown. People from around the world are drawn to a dynamic, seductive Downtown where the unique cultural mosaic of New Orleans comes into focus.

ECONOMIC DEVELOPMENT

Economic Development Team

René C. Pastorek, AICP

The DDD is your partner from
the ground up!

The Economic Development Department aims to foster a vibrant and prosperous Downtown Development District, attract investment, support existing businesses, and create a favorable environment for economic growth and development.

Grants & Assistance Programs

The Economic Development Department offers access to exclusive grants and assistance programs designed to support businesses and entrepreneurs in the Downtown Development District. These programs include financial assistance for items such as façade repairs, signage, awnings, sidewalks, and outdoor furniture.

Market Analysis

The Economic Development Department conducts in-depth market analysis to provide businesses with valuable insights and data about the Downtown area. View the latest version of the Downtown New Orleans Quarterly Market Report by scanning the QR code.

Expedited Permitting

The Economic Development Department, in collaboration with the Department of Safety and Permits, provides expedited permitting services for businesses in the DDD. This service aims to accelerate the permit application and approval process, ensuring a more efficient and timely experience for businesses.

Regulatory Assistance

Navigating regulatory processes can often be complex and time-consuming for businesses. The department provides guidance and support in understanding and complying with regulations, permits, and licenses necessary for development projects. This assistance helps streamline processes, reduce barriers, and accelerate project timelines.

Planning

The Economic Development Department collaborates with property owners to create tailored strategic plans, encompassing land use, infrastructure, transportation, and urban design, in alignment with the District's vision. They provide comprehensive economic development assistance, including market analysis, feasibility studies, financial modeling, and access to incentives, empowering businesses to make informed decisions and navigate the economic landscape effectively.

Retail Support

The department offers comprehensive support services for retail businesses in the DDD. This includes:

- Tours
- Introductions
- Demographic Data
- Pedestrian Volumes
- Available Retail & Restaurant Locations

RIBBON CUTTING/DEDICATION

The DDD is happy to coordinate a ribbon cutting or dedication event to recognize your new business, renovation, or reopening.

NEWSLETTER HIGHLIGHT

The DDD sends out a weekly newsletter to over 7,000 Downtown stakeholders. We would love to include your new business in an upcoming issue!

SOCIAL MEDIA PROMOTION

The DDD has a strong following across Facebook, Instagram, LinkedIn, and X.

Tag the DDD in your posts, share highlights and events with us, and let us amplify your message.

TIPS FOR SUCCESS ON YELP

Create your Yelp page by visiting www.yelp.com and navigating to “Yelp for Business.” Click either “Add a Business” or “Claim your Business” to begin.

ADD DETAILED INFO

Under the “Info” section, add your business’ information keeping in mind that the more detailed your info is, the better! Revisit this section at least every six months to make necessary changes and ensure your information is up to date.

PROVIDE VISUALS

A picture speaks a thousand words, and quality images can help set your business apart. Take photos of everything: inside, outside, menu, seating, products, events, etc., and consider hiring a professional.

LINK TO YOUR PAGE

Post links or buttons to your Yelp on Instagram, Facebook, website, X, etc. You can even print QR codes to your Yelp page and hang them in-store while remembering that Yelp does not accept review solicitation. Instead of asking your customers for reviews, plug your page by inviting them to see what others are saying on Yelp.

RESPOND TO NEGATIVE REVIEWS

According to a study done by the Wall Street Journal in 2020, 58% of customers who complained received no response from the business. Don’t be a business that doesn’t respond! Take time each week to carefully and tactfully respond to reviews in an apologetic and empathetic way.

OTHER HELPFUL HACKS:

- ✓ Utilize the Yelp “Resources” tab
- ✓ Highlight positive review across other social media platforms
- ✓ Ask for help if you need it!

TIPS FOR SUCCESS ON INSTAGRAM

Create both an Instagram and Facebook company account to help your company reach a bigger audience and its full potential.

BE CONSISTENT

Instagram is a highly visual platform. Across all your posts, aim to use the same filters and establish a similar aesthetic, both in terms of graphics, fonts, colors, and overall photographic style.

PROMOTE (within reason)

When using promotional posts make sure to follow the 80/20 rule; only post 20% self-promotion to not drive away customers.

ENGAGE YOUR AUDIENCE

Craft content that encourages response, respond to your commenters, and like posts from the people you are following. Engaging with others will lead them to engage with you.

POST TO STORIES

Stories are a great way to interact with your users. They are temporary posts staying up for 24 hours and allow for audience engagement (polls, questions, etc.)

CREATE REELS

Reels (short form videos) generate higher engagement rates and reach than typical IG posts. Get creative with your account by sharing these under-90 second clips.

STAY BRIEF & RELEVANT

Caption all your posts in a short yet engaging manner. In your captions, include relevant language and hashtags that will drive people to your page/posts.

PUBLIC SAFETY

DOWNTOWN
DEVELOPMENT
DISTRICT  NEW ORLEANS

7 DAYS A WEEK | 6AM-10PM

CONTACT: 504-415-1730

The Downtown Development District's Public Safety Team is made up of Public Safety Rangers, NOPD, and Private Patrol.

SERVICES PROVIDED

- Deterring crime through visible patrols
- Reporting suspicious behavior to proper authorities
- Assisting visitors, residents, and workers with maps, directions and information on where to go, what to see, and how to get there
- Discouraging aggressive panhandling and other quality-of-life crimes
- Offering free SafeWalks to Downtown residents, workers, and visitors
- Homeless outreach | Providing safety presentations to Downtown stakeholders

SAFEWALK

The DDD's SafeWalk is a free service provided to safely escort residents, workers and visitors to Downtown destinations

SafeWalks are available 7 days a week from 6am-10pm.

Please call at least 20 minutes prior to the requested SafeWalk.

If texting, include name, location and time of meetup.
